

PACE Promise™
 PARTNERS ADVANCING COLLEGE EDUCATION
In Partnership with the Leichtag Family Foundation

Donation Form

Dear San Marcos Unified School Employees,

PACE Promise is a program dedicated to ensuring that San Marcos Unified School District (SMUSD) students have the option of attending college. The program, a partnership of the district and California State University, San Marcos (CSUSM), guarantees college admission to students who have met specific requirements. Providing tutoring and mentoring, university campus visits, enhanced test preparation, and other educational services, PACE Promise pledges to guide students as they follow a path to higher learning.

On behalf of SMUSD bargaining union leadership, it is our pleasure to invite you to consider participating in this worthy cause by contributing through a payroll deduction. With the help of your generous donation, you will be supporting the many education-based services the PACE Promise will provide throughout the year and set a standard for the years to come.

We hope you agree a contribution is a meaningful way to support all of our wonderful, talented, students and enable them to have educational opportunities that many thought was out of reach. Please join us in providing opportunities for all motivated students, regardless of background or financial resources, to pursue higher education by making a monthly donation.

Sincerely,

Pia Harris-Ebert
